

Tender Announcement

African Monitor (www.africanmonitor.org) is commissioning 4 independent studies to be undertaken in the following countries; Ghana, Zambia, Ethiopia and Uganda. Proposals are hereby invited from suitably qualified consultants/organizations to undertake a 3 month comprehensive research and fieldwork survey on "Resource Tracking in the agriculture sector" in each of the above named countries.

Interested organizations/consultants (preferably resident in the countries of survey) are required to submit; a comprehensive proposal as per the attached TORs detailing the following;

- Indication of how the company/individual intends to carry out the requirements of the terms of reference.
- Fully developed methodology,
- Brief outline of how the agriculture sector is structured/organized in the respective country.
- outline/mapping of data and information sources at the various tiers of government, framework of resource flows within the agriculture sector at the various tiers (from national, provincial,, district up to grassroots communities),
- detailed budget, including a detailed breakdown and costing of activities
- Detailed expansion of research questions.
- Travel plan for the field work phase
- Detailed plan of engagement with key stakeholders within the sector throughout the study period as well as after

Proposals and any clarifications to be e-mailed to masiwa@africanmonitor.org by **Monday 29 September**
